Subject: Resolutions on the RW Plans Cover Sheet

Date: Tuesday, May 09, 2000 12:58 PM

It has been the decision of Right of Way Plans Management, with the concurrence of Right of Way Titles Section, that the Cover Sheet of the Right of Way Plans shall cite only those Resolutions of Establishment which established the Project as a State Highway.

Other Resolutions of Establishment, such as those establishing a State Route, need not be cited on the Cover Sheet.
